

TECHNICAL QUESTIONNAIRE (Please print and send by fax)

Data for waste water purification plants

Project (name, location, type of wastewater)	
Planning Agency: (name, address, telephone, email)	

Conditions: New project

Existing plant

Population equivalents [PE]	
Daily influent [Qt] [m ³ /d]	
Infiltration water [m ³ /d]	
Grease, Oil [mg/l]	
Temperature [°C]	
COD [mg/l]	
BOD ₅ [mg/l]	
pH [-]	
N [mg/l]	
P [mg/l]	
Setteable Solids [ml/l]	

Missing data? Please sent an offer for laboratory analyses

Which discharge values are to be complied ?
Should the effluent be discharged into a river or into the municipal sewer?
Special information (for example type of industry, type of pollution, fluctuations, production data, flow etc.)
